

Summer Term Reception

Talk 4 writing

- Learn to retell the story of...

Mr Gumpy's outing

- We will be learning The story and then innovating the story, using our own trip to Rutland Water as the base for our new story.

- Key vocabulary:
 - Outing
 - Owned
 - Squabble
 - Tease
 - Trample

We are reading...

To help us remember the story we will:

- Read the story
- Tell the story
- Act out the story
- Use toys to tell the story
- Draw our own story maps
- Write a 3 sentence story

Literacy

- Our focus will be on applying what we have learning in phonics and with our tricky words, to read and write simple sentences.
- We will be writing for different purposes such as writing a list, a recount, stories and instructions.

Phonics

- We have been working hard to learn lots of new sounds including some diagraphs and trigraphs.

Phase 3 Sound Mat

J	V	W	X	Y	Z
j	v	w	x	y	z
zz	qu	ch	sh	th	ng
ai	ee	igh	oa	oo	oo
ar	er	ur	aw	oi	ear
air	lure	er			

Can you look at the letters and make the sound?
Can you look and say the words the sound?
Can you say the words the sound and see who is right?

For videos to help your child practise the sounds we have been learning please visit [\(530\) Mr T's Phonics - YouTube](#)

Number

- We will be exploring how numbers are made within numbers to 10.
[\(430\) @Numberblocks - Additions | Learn to Count - YouTube](#)
- We will also be exploring patterns within numbers such as doubles and odds and evens.
[\(430\) Numberblocks - Double Numbers, Double the Fun! | Learn to Count | Learning Blocks - YouTube](#)
[\(430\) @Numberblocks - Odds vs Evens | Learn to Count - YouTube](#)

Science

- Floating and sinking- finding out what objects float and which sink through hands off experiments.
[\(430\) Sink or Float | Fun Science Experiment for Kids - YouTube](#)
- What materials are things we use everyday made of? Can you tell if something is made from wood, plastic or metal?
[\(430\) Materials - Science for Kids | @PrimaryWorld - YouTube](#)

People

- We will learn about being a good friend using stories from the bible to help us, like the story of the Good Samaritan.
- It has recently been the Kings Coronation and we will be learning about why this event is important.

Places

- Maps help us find new places. We will be looking at local maps and locating roads, green spaces and houses.
- We will be visiting Rutland Water and using a map to find letters hidden around the park.

Art

- This term we will be looking at different techniques to use when sketching.
- We will look at Picasso as an example of someone who created self portraits.

PSED

- Relationships- Talk about and identify people who they can talk to if they are worried.
- Emotions- Know that sharing how they feel can help with their worries. Know that thinking about happier times can help us to move on.

Physical Development

- In PE we will be focusing on moving energetically by,
 - running
 - jumping
 - dancing
 - hopping
 - skipping
 - climbing

Showing control and being aware of our surroundings.

- Thinking about what we can do well and what we need to practise in order to improve.
